

HOSPITAL CARE

What Can I Do?

Hospital Care focuses on visiting and ministering the Word of God to patients and their families, offering hope and encouragement, especially to people who do not have relatives in Bloemfontein. The programme is managed by a coordinator (minister) and spiritual workers. About 17 000 patients receive support in hospitals through in person visits as well as digitally (Zoom and YouTube).

- God knows the future. We have to trust Him. When you believe in Him and trust Him, He gives hope and patience.
- When you experience difficulties and feel overcome by trouble, put your trust in the Lord. Be still and know that God remains in control. (Psalm 46:10)
- Read God's Word and allow the Holy Spirit to comfort, strengthen, and lead you. God gives courage and strength.

"Peace I leave with you, my peace I give you. I do not give it as the world gives. Do not let your hearts be troubled and do not be afraid."
– John 14:27
